

**Jon Chiodo**  
**Johnson & Johnson**

Jon Chiodo is a patent attorney with Johnson & Johnson, where he has supported various businesses and technologies in intellectual property matters. He has counseled on technologies including implantable medical devices, biological sealants, staples and staplers, sutures and suture processing, cleansers, dispensers, and other consumer products. Jon frequently counsels on portfolio management, research and supply agreements, licensing of IP rights, and business mergers, as well as all aspects of patent preparation and prosecution, including appellate and post-grant processes.

Prior to joining Johnson & Johnson, Jon was an attorney at Hoffmann & Baron LLP, practicing in all aspects of patent practice, including counseling, prosecution, and enforcement of rights. He is a frequent lecturer at various CLE events in New Jersey and New York. Jon recently served as President of the New Jersey Intellectual Property Law Association (2015), and served on the Board of the NJIPLA from 2012-2016.

Jon graduated magna cum laude from the Pennsylvania State University – Dickinson School of Law, and received his bachelor's degree from the Pennsylvania State University.
